

## ENGLISH ACTIVITIES

Olá queridos alunos do 7º ano. Esta semana vamos fazer mais uma interpretação de texto.

Em seu caderno, coloque a data (**May 7th, 2020**), copie, traduza (NÃO PRECISA SER ESCRITO) e responda as questões.

Lembre-se das dicas que eu dei para fazer a tradução.

**SEWING MACHINE**

A machine that is used for stitching cloth or other material together. The first sewing machine was invented in 1830 by Barthélemy Thimonnier , a tailor, in France. In the United States, Walter Hunt also invented a sewing machine in 1834, but did not patent it. Later, in 1846, the device was improved by another American, Elias Howe, whose business was not successful at first. Isaac M. Singer made small modifications in the machine and patented his improvements in 1851. His business became a success: his company sold 2,564 machines in 1856, and 13,000 in 1860.

Responda às questões 1, 2 e 3 baseado na leitura do texto acima.

1.Qual é o assunto tratado no texto “ Sewing Machine”?

GOOD JOB!!!

**GABARITO DA SEMANA ANTERIOR**

Portugal - Portugal - Portuguese - Portuguese

Espanha - Spain - Spanish - Spanish

Inglaterra - England - English - English

França - France - Franch - Franch

Itália - Italy - Italian - Italian

Alemanha - Germany - German - Germany

Áustria - Austria - Austrian - Austrian

Grécia - Greece - Greek - Greek

Estados Unidos - USA (United States of America) - American - English

Japão - Japan - Japanese - Japanese

China - China - Chinese - Chinese

## **Exercício A**

- 1 - Spanish
- 2 - are Franch
- 3 - is American
- 4 - is Chinese
- 5 - is Italian
- 6 - are Brazilian
- 7 - are German
- 8 - are Greek
- 9 - He is Austrian
- 10 - They are japanese

## **Exercício B**

- 1 - Austria
- 2 - are USA
- 3 - is Italy
- 4 - is China
- 5 - is France
- 6 - are Japan
- 7 - are UK
- 8- are Spain
- 9 - She is Greece
- 10 - They are Germany
